## REJUVENATION MASSAGE

*Available from 1 May - 30 June 2023*

Our rejuvenation experience includes choice of a body scrub or mini facial— all made with fresh fruits and organic products from the island. This follows with our Signature Sehathu Massage that uses a homemade blend of oils from rose, lotus and jasmine. This treatment balances the hot, cold and dry aspects of the local Dhivehibey tradition to relax the entire body and improve blood circulation....leaving you feeling renewed!
