Snorkeling at **PARK HYATT MALDIVES**

It is an invitation to immerse in nature's abundance every moment of your stay. The iconic 360° house reef forms a complete, living ring around the island, ensuring you are never more than a few steps from crystalline waters and vibrant coral gardens teeming with life.

Every villa and beach offers direct entry into this underwater sanctuary—no need for boat rides or long treks. Sunrise reveals green turtles and schools of tropical fish; dusk brings out nurse sharks and the subtle magic of night snorkeling. The house reef is not limited to a single “best spot,” but offers limitless exploration in every direction, celebrating the Circle of Life: Unlimited Explorations, All Around You, At Your Doorstep.

Guests of all experience levels receive well-maintained gear and the support of marine biology-trained guides, who transform each swim into a journey of discovery and connection. Guided house reef tours, family beginner sessions, and themed marine life explorations are available daily. For those wishing to venture further, off-island snorkeling safaris reveal the pristine wildness of Huvadhu Atoll—proof that Hadahaa truly is The Maldives Last Great Place for ocean lovers.
